- + decide that the shareholders may exercise in accordance with the applicable laws and regulations, and proportionally to their rights and within the limit of their requests, their

preferential right to subscribe for ordinary shares or securities issued under this resolution on the basis of irrevocable entitlement (*à titre irréductible*) in proportion to their rights and within the limit of their demand. In addition, the Management Board may establish for the benefit of shareholders a right to apply for excess shares subject to reduction (*à titre réductible*) exercisable in proportion to their rights and within the limit of their demand;

- + decide that if take-up for shares on the basis of irrevocable entitlement (*à titre irréductible*) with respect to exact rights and, when applicable, for excess shares subject to reduction (*à titre réductible*), should fail to account for the entire issue of the shares or securities as defined above, the Management Board may, as it chooses, and in the order it decides, in accordance with Article L. 225-134 of the French Commercial Code, proceed with one or more of the following options: (i) freely allocate all or part of the unsubscribed securities to any persons of its choosing, (ii) offer these securities to the public and/or (iii) restrict the amount of the issuance to the subscriptions received, provided that these amount to not less than three quarters of the initial intended issuance;

These debt securities may or may not be for an unlimited term, may or may not be subordinate, and may be issued in France or abroad, either in euros or in another currency, or in any other monetary units established by reference to several currencies. The maximal nominal amount of debt securities issued under this delegation and resolutions 3, 4, 5, 6, 7 and 9 of this General Meeting may not exceed one hundred and fifty-five million six hundred and fifty thousand euros (€155,650,000) or the equivalent value at the exchange rate prevailing on the date of the issue decision, but will be independent of the amount of any debt securities referred to in Articles L. 228-38, L. 228-92 (3rd paragraph), L. 228-93 (6th paragraph) and L. 228-94 (3rd paragraph) of the French Commercial Code, for which the issue may otherwise be authorized or decided, in accordance with Articles L. 228-36-A and L. 228-40 of the French Commercial Code and the Company's Articles of Association. - + note that the present delegation of authority automatically entails by operation of law, in favor of the owners of securities giving access, immediately or in the future, to the capital of the Company, which may be issued by virtue of this delegation, renunciation by the shareholders of their preferential right to subscribe for shares to which these securities could give a right; and
- + duly note that, if the Management Board uses this power of authority, it will report to the next Ordinary General Meeting, as required by law and regulations, on the uses made of authorizations granted under this resolution.
