VALNEVA

6 rue Alain Bombard
44800 Saint Herblain

In our capacity as statutory auditors of your Company and in compliance with the requirements of Article L. 225- 115 4° of the French Commercial Code (Code de commerce), we have prepared this attestation on the information relating to the total amount of remuneration paid to the highest-paid employees for the year ended December 31, 2021, contained in the attached document.

This information was prepared under the Directeur Général' responsibility.

Our role is to attest this information.

In the context of our role as statutory auditors (Commissaires aux comptes), we have audited the annual financial statements of your company for the year ended December 31, 2021. Our audit was conducted in accordance with professional standards applicable in France, and was planned and performed for the purpose of forming an opinion on the annual financial statements taken as a whole and not on any individual component of the accounts used to determine the total amount of remuneration paid to the highest-paid employees. Accordingly, our audit tests and samples were not carried out with this objective and we do not express any opinion on any components of the accounts taken individually.

We performed those procedures which we considered necessary to comply with the professional guidance issued by the French Institute Statutory Auditors (Compagnie nationale des commissaires aux comptes) for this type of engagement. These procedures, which constitute neither an audit nor a review, consisted in performing the necessary reconciliations between the total amount of remuneration paid to the highest-paid employees and the accounting records, and verifying that it is consistent with the data used to prepare the annual financial statements for the year ended December 31, 2021.
